Goodness it has been a troubling week. Our thoughts and prayers are with those whose lives that were affected by the recent bombings here in Indonesia.

Recent Safety Warnings.

As a school it is our responsibility to ensure the safety of the children and their families while they are in our care. We have had a number of warnings issued from a variety of embassies and consulates here in Indonesia, expressing the need for extreme caution at this time.

We have increased the security staff here at school and continue to monitor the coming and goings of visitors on to the school grounds. Should you wish for your child to accompany another family home, it is essential that you inform the office..

As another precautionary measure, school will continue as normal with one exception. Children not involved in After School Activities are required leave the school grounds and go home at 2:30 until further notice. We are relying on your support network to ensure that your child is picked up promptly to prevent any further anxiety for our students at this time.

On a positive note, thank you to the parents that responded positively on Monday with the school closure notice. As always your help in these matters is very much appreciated.

End of Year Tidy Up

Once again as promised - a gentle reminder to ensure that all library books are returned, outstanding fees and tuition accounts are paid in full so we are able to send out our students reports on Wednesday 6th June.

International Night and Community Pot Luck Dinner

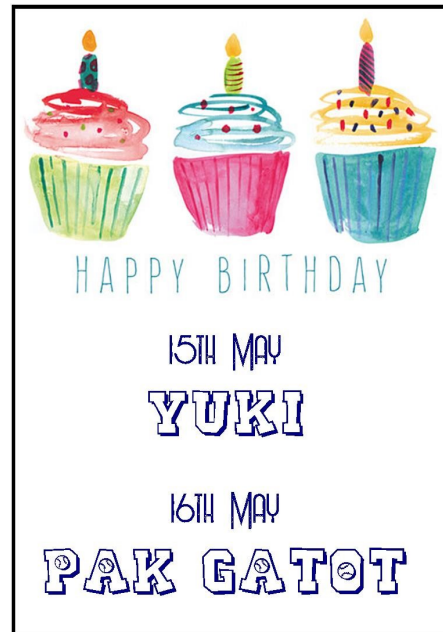

In the tradition of International Night we would like to host a 'Pot Luck' dinner before the show begins. It will be a lovely opportunity to break the 'Fast' together as a community. Ibu Annie and members of the PTFA once again I will leave this in your trusted hands to organise the troops.

The International Night evening will begin at 6:15pm with the pot luck meal followed by the show at 7pm. This year the theme is celebrating 5 decades of music and dance. (The time that the school has been open here on this site). It will include song, music and dance items from each class, staff and if I am not mistaken there is a parent number being planned. Information about the times that our students need to be at school will be released next week.

Kind regards,

Donna Lee Bloor
Head of School

Refer a

F.R.I.E.N.D
and get tuition reduction

Everyone who introduces a new student to our school will receive a one month's tuition reduction. This applies for every student who may sign up. If two students sign up you can get two month's reduction.
