Learning for a global future

Jl. Papandayan No. 7, Bogor, 16151

Tel. 62-251-8324 360

<http://isbogor.org>

Well we are here, last week of the academic year, and as usual we have staff members and families coming and going. Take the time to appreciate the wonderful experiences that you and your friends have had and wish them success in their personal journeys.

It is time to welcome the new staff members and families joining our school community, help them take up the roles that our friends have left and welcome them into the fold.

Final Assembly

This Friday the assembly will focus on the Grade 4 - 9 exhibition, where each member of the class will be presenting their boards, an accumulation of their PYP learning and achievements. It would be fantastic if all members of our school community could make it, Assembly will begin at 8am.

School Annual General Meeting

This evening is promising to be a little different this year with a light supper served before and a supervised movie night for the children. It is important that we, as a community come along to AGMs to learn about the plans for the school, what projects are being undertaken and also to reflect on how we have done the previous year. Please pencil the date into your diary -

School AGM Friday 3rd August @7pm

Want to make a difference? Have some ideas or strategies that you would like to share? The ISB board is calling for nominations and expressions of interest to become part of management committee. Are you willing to take up the challenge - come and be part of the team.

New Academic School Date

Term One Week 1 - Monday 30th July

The school overview has already been shared and is now available on the school website along with Term 1 Planner and the draft of the Term 2 Planner.

Finally from me, a huge thank you to those that have been so supportive throughout this year. I wish you a fantastic holiday, I am certainly looking forward to getting back to NZ to see Emma and Hunter, family and friends.

Take care everyone and I will see you on the 30th July.

Kind regards,

Donna Lee Bloor

Head of School

My name is Ms. Miriam and I am originally from the UK and have over 10 years experience of Early Years Teaching practice using the UK Early Years Foundation Stage curriculum framework. I have been teaching internationally for five years and have lots of International Baccalaureate experience which I will be drawing from when working with the children and families in ELC. My teaching philosophy is play based, child centred and is rooted in positive relationships with parents and families. I look forward to another chapter with the ISB family. I hope to meet with you all soon!

Hello. I am very excited to begin the school year with you in reception and grade one!

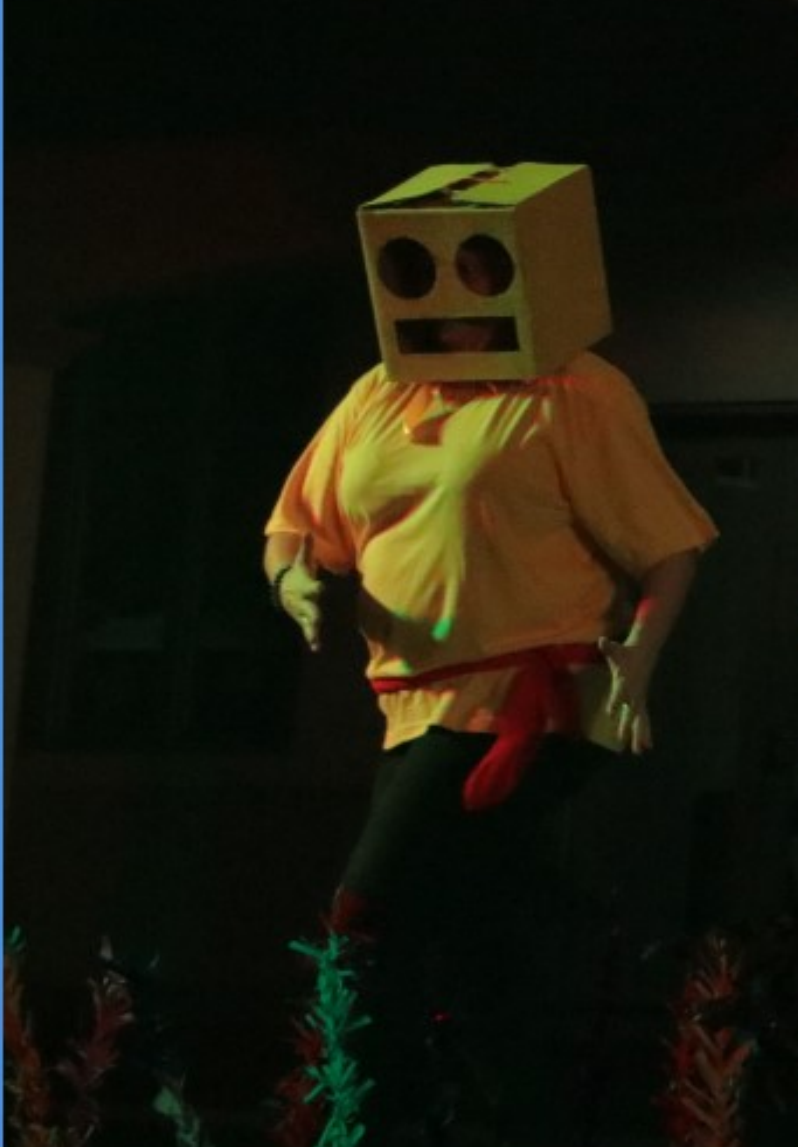

I was born in Toronto, Canada where I found my passion for teaching and was certified with a master in education. I taught in a wide variety of schools and other learning programs before I made my move to Southeast Asia.

In 2014 I volunteered at a yayasan in East Bali teaching English to underprivileged children for four weeks. I loved Indonesia so much it turned into almost two years! I just finished teaching grade one in Phnom Penh Cambodia and am very much looking forward to returning to Indonesia.

As a teacher I strive to work with each student and his/her community of supporters to provide an environment where happy confident children grow. I can't wait to begin our journey together!

International Night
